

Photos to accompany letter to St Pancras PCC
from Camden Civic Society on subject of Euston Area Plan,
all taken 7th June 2014

View northwards along Melton Street / Cardington Street with architecture on a human scale (nos 14-15 Melton Street listed Grade II) and mature plane trees in street and within eastern part of St James's Gardens, all these buildings and trees due to be lost under EAP and HS2

Below, Cobourg Street – east side to be demolished under EAP and HS2, late Georgian simple terrace houses and yard, facades in unaltered condition

Below, Cobourg Street looking north towards St James's garden, rear of modern hotel on east side and converted Euston Stables building at northern end, the latter on Local List, both buildings due to be demolished under EAP and HS2

Below, St James's Gardens - mature trees and rear of Temperance hospital

Below, St James's Gardens looking south-west through trees to open sky, with rear of Maria Fidelis school

Below, view from St James's Gardens across Euston station to tower of St Pancras church

continued

Regent's Park Estate's "pockets of green spaces" (EAP p.20): views north-west and north-east from 6 Coniston, Harrington Street, a third-floor dual-aspect flat constructed c.1949 due for demolition under EAP but not under HS2.
